What are "web-sized proofs"?

Web-sized proofs are small, email-friendly JPEG's. You may not crop out the watermark, and you may not upload non-watermarked photos to the web. These images are perfectly sized (480x720 at 72dpi) for use with email and on websites such as Facebook, etc. They are not suitable for printing and printing is not allowed.

How much do reprints cost?

We offer professional quality reprints from our custom lab at reasonable prices. Some common reprint size and their prices are: 4x6 (\$4.00) • 5x7 (\$10.00) • 8x10 (\$20.00) • 11x14 (\$24.00) for Lustre or Glossy finish. (Metallic premium paper available at an additional charge.) Canvas gallery wraps start at \$60.00.

What about Black & Whites?

We always include a number black and white photos at our discretion. As color experts, we can see which images will benefit the most from the transition to B&W from color. We don't simply desaturate the images; we carefully process them from color to B&W to ensure the most accurate representation of a B&W film image with excellent detail and contrast.

What is a DVD highlight slideshow?

All wedding and engagement coverage comes with a DVD slideshow set to music with a selection of photos from your wedding and/or engagement session. We choose the images that for the slideshow in order to tell the best story and to ensure you receive your slideshow in a timely manner. Slideshows also come in a digital version allowing you play them on your portable video devices and upload to the web.

Will you require a meal at our reception?

Yes, we require a hot meal the same as your guests for all events 6 hours or longer that include a reception. Dinner is the only time during your event where we can take a short break and refuel. We don't take photos of people stuffing their faces (unless it happens to be particularly entertaining!), but our eyes and ears are always open even during dinner for toasts, kisses, etc. We will pop up from our seats to catch those moments and that's why we prefer to sit with your guests so we can see and hear what's going on. This requirement is also stated on our agreement.

How do we book you for our date?

Once we have received a completed and signed agreement with 25% retainer, your date is reserved with us. Get in touch, and we'll send you an agreement. Be sure to confirm with us that your date is still open before mailing us your retainer.
